

How to add Viessmann Fault Code Checker to your mobile device's home screen.

FOR ANDROID DEVICES: CHROME BROWSER

1. Launch Google Chrome browser app.
2. Go to the [Fault Code Checker page](#) on Viessmann's website and press "Enter."
3. Tap on the Menu button - usually it's an app button that looks like three stacked horizontal lines.
4. Tap "Add to Home Screen." Done! A shortcut to the website will be added to your home screen.

FOR APPLE iOS DEVICES: SAFARI BROWSER

1. Open Safari and go to the [Fault Code Checker page](#) on Viessmann's website.
2. At the bottom of the screen click the icon depicting an arrow rising from a square.
3. Scroll gray icons row at bottom to left until you see "Add to Home Screen".
4. Tap "Done" button at bottom right. A shortcut to the website will be added to your home screen.
